

Point San Pablo Yacht Club and Al Engel cordially invite you to a benefit for the Richmond Plunge—

CLASSIC CARS, CLASSIC POOL

A rare opportunity to view classic automotive beauties

Al Engel's climate controlled "hobby-shop" houses a stunning collection of classic American cars of the 1930's to the '60's. Over 70 award-winning American show cars of concours d'élégance standards, classic motorcycles, automotive memorabilia, a plane or two, race cars, a classic roadside diner and numerous pin-ball machines for your amusement.

to help save a classic American beauty— the Plunge!

Nearing the mid-point of its historic full rehabilitation, the Plunge has received a \$500,000 grant from the Wayne and Gladys Valley Foundation which must be matched from non-government sources. All donations double in value with this grant. The Plunge will be one of the healthiest public swimming pools in the world, and your ticket purchase will help restore this cultural and historic asset to Richmond and keep us on track for an early 2010 opening!
